(a) power
Setting-only line
Free-form linear fit
CrusherBayes
Morrell with no-load term
Constant mean
Refit form with bounded residual
Refit current-based form
Bond draw, blend work index
Morrell through the origin
Engine at the published constants
20
40
60
held-out MAPE (%), 95% interval
(b) throughput
Engine at the published constants
CrusherBayes
Refit capacity base
Free-form linear fit
Capacity base with bounded residual
Setting-only line
Constant mean
10
20
held-out MAPE (%), 95% interval
